## Company Overview

LifeArt Cabinetry offers a broad range of cabinet style and color, both framed and frameless, at a variety of price points. This allows our customers to choose the perfect combination of features for their needs and budgets.

Having our own manufacturing plant allows us to control the quality of our products and explore new options in a forever changing industry. We have two service centers conveniently located in Georgia and New Jersey to meet local customer demands. With years of experience and refinement, we are confident that we will deliver quality products and services that you and your customer can count on.
